Come and learn about the Gateway Corridor (I-94 from Minneapolis to Eau Claire), goals for the Alternatives Analysis (AA) study, and the initial screening of transit alternatives. Ask staff questions and provide your comments.

For additional information about the public open houses and the AA, contact Ted Schoenecker at ted.schoenecker@co.washington.mn.us or 651-430-4319. To request an ASL or language interpreter, contact Ted Schoenecker no later than Friday, February 18. All facilities are accessible to persons with disabilities.
